

Levian Amos

AI & IoT Developer | Tech Club Leader | Computer Science Student

Nairobi, Kenya • [linkedin.com/in/levian-amos-b584322b7](https://www.linkedin.com/in/levian-amos-b584322b7)

PROFESSIONAL SUMMARY

Motivated Computer Science student at Zetech University with a strong passion for AIoT, Cybersecurity, and Software Development. Currently serving as iTech Club Chairperson, leading a community of innovators to build impactful solutions. Active hackathon participant and tech event organiser with hands-on experience in Arduino, IoT systems, and AI integrations. Committed to leveraging technology for meaningful real-world change.

EXPERIENCE

iTech Club Chairperson

Zetech University - Nairobi, Kenya 2023 -

Present

- Lead and manage the iTech Club, driving innovation, collaboration and tech skill development among students.
- Organised the Build with Google Gemini AI HackDay a 12-hour overnight hackathon with 100+ student developers.
- Co-organised Arduino Days 2026 featuring hands-on training, project showcases and guest speakers.
- Facilitated joint IoT & Robotics Roundtables across multiple campuses, connecting students and industry mentors.

AI & IoT Developer (Arduino)

Independent / Zetech University Projects

2023 - Present

- Developed IoT prototypes using Arduino hardware for real-world automation and sensing applications.
- Built and integrated AI-powered solutions during hackathons, including projects leveraging the Google Gemini API.
- Currently contributing in the development of MinerAI.space.

EDUCATION

Bachelor of Science in Computer Science

Zetech University - Nairobi, Kenya

September 2023 - December 2026 (Expected)

- Relevant coursework: Internet of Things (IoT), C++, Cybersecurity, Artificial Intelligence, Blockchain.
- Active member and Chairperson of the iTech Club throughout the degree programme.

CERTIFICATIONS

Introduction to Cybersecurity

Cisco Networking Academy Issued:

May 2024

VOLUNTEER WORK

Event Co-organiser & Student Leader

Zetech University - Innovation & Tech Events

2023 - Present

- Volunteered to organise and coordinate multiple tech events across campuses including hackathons and roundtables.
- Mentored fellow students in IoT, AI, and software development through club workshops and events.
- Represented Zetech University's student innovation community in collaborations with Google, MLH, UN, and ITU.
